

AMP™ Motorization: Google Home Quick-Start Guide

Getting Started

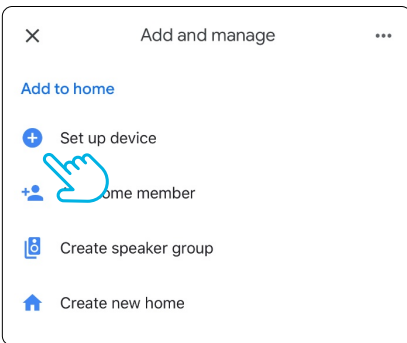

In order to take advantage of Google Assistant voice control of your AMP Motorization, you need:

- AMP Motorization Account with an AMP Bridge registered to the account
- A Google Assistant-enabled device connected to your Google account
- The Google Home App downloaded and installed on your mobile device

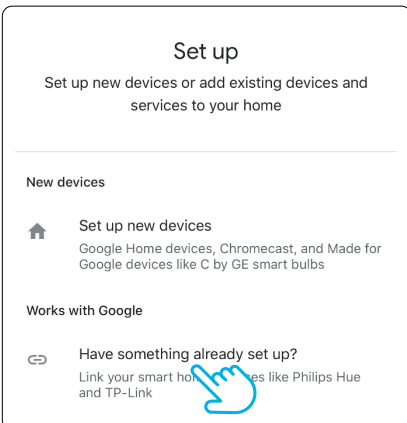

1 Open the Google Home App on your mobile device, and tap + icon

2 Choose the option: "Set Up Device"

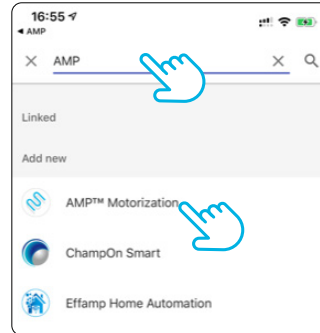

3 Choose the option: "Have something already set up?"

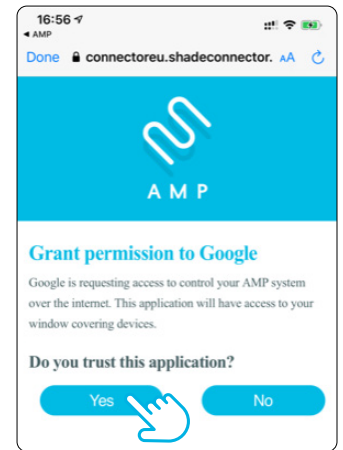

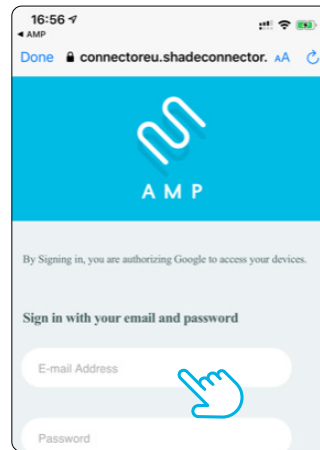

4 Add AMP Motorization to link with Google Home

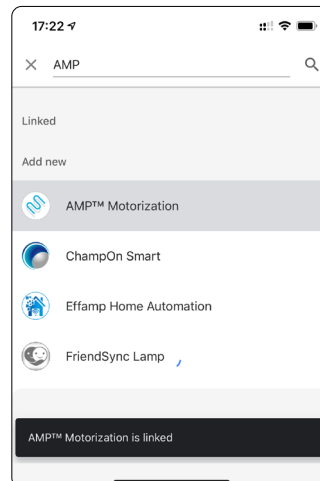

- Tap on the Magnifier Button located in the top right corner of the page; Search for **AMP Motorization** and tap on it

5 Enter your AMP Motorization login information to link with Google Home

6 Now, your AMP Motorization App is linked with Google Home

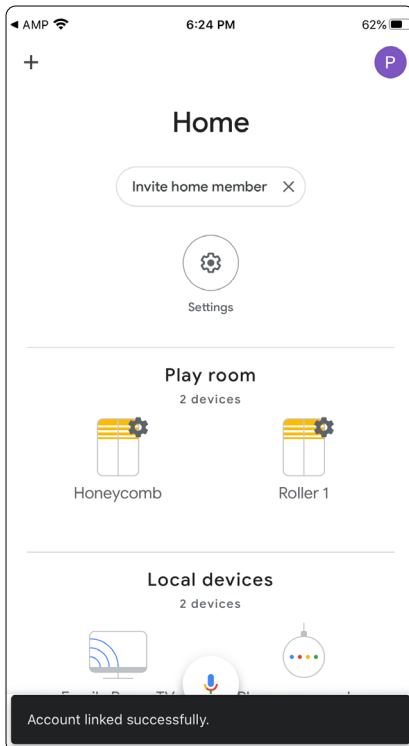

AMP™ Motorization: Google Home Quick-Start Guide

7 Automatically, Google Home App will discover all shades programmed in your AMP Motorization App. If necessary, change the name or rooms of blinds

8 Begin activating your AMP Motorization using Google Assistant voice commands:

- To control an individual blind, start with “open” or “close” then just add the blind name. Do not add the word “blind”, “blinds”, “shade” or “shades” at the end.

“Hey Google, open/close (blind/shade name)”

- To control all blinds in the same Google Assistant room, start by choosing “open” or “close” then add the room name and the word “blinds” or “shades”, plural form, at the end.

“Hey Google, open/close (room name) blinds/shades”

- To move an individual blind to its favorite position, start with “set” then just add the blind name and the phrase “position to favorite”.

“Hey Google, set (blind/shade name) position to favorite”

- To move all the blinds in a specific room to their favorite position, start with “set” then just add the room name and word “blinds” or “shades” with the phrase “position to favorite”.

“Hey Google, set (room name) blinds/shades position to favorite”

- To move an individual blind to a specific % position, start with “set” then just add the blind name and the phrase “to % position”.

“Hey Google, set (blind/shade name) to 35% position”

- To move all blinds to a specific % position, start with “set” then just add the word “blinds” or “shades” with the phrase “to % position”.

“Hey Google, set (room name) blinds/shades to 35% position”

- To execute your AMP Motorization Scenes, start with “run” and add your AMP Motorization Scene names.

“Hey Google, run (Good Morning)”
